Mayfair NURSERIES

Rock Plant Specialists

NICHOLS, NEW YORK

NURSERY LOCATED AT WINDHAM, PENNA.

August 15, 1956

Dear Friends:

Our moving operation has been completed! For a while we thought it could not be done, but now it is all over except for the shouting. Our entire stock is now at our new location, but we are still a bit disorganized. It will take some time to get all the plants set out and new buildings erected. We hope to resume our normal selling and shipping schedule about September 15, 1956.

Although our mail address is R. D. 2, Nichols, New York; our nursery is located in Windham, Pennsylvania; in the northeast corner of Bradford County. For those of you desiring to visit us, we are located at the "Brick House" on West Warren Road, midway between Windham and West Warren, Pennsylvania..... 30 miles southwest of Binghamton, New York..... 20 miles north of Towanda, Pennsylvania..... 8 miles south of Nichols, New York. Windham is shown on all road maps.

Most of our stock is now planted and making attractive new growth. We expect to have an excellent crop for the coming fall and spring seasons. For this year our selection of varieties will remain about the same as those listed in our 1956 Price List. In the future we expect to add many new and interesting species for cold climate rock gardens.

The fall planting season is almost at hand, so please make your selections from our 1956 Price List and send your order as soon as possible to Mayfair Nurseries, R. D. 2, Nichols, New York. Use the enclosed postage free envelope for your convenience. We shall start shipping about September 15th.

FREE BONUS PLANTS OF OUR SELECTION WILL BE SENT WITH EVERY ORDER SHIPPED FROM OUR NEW LOCATION FOR THE REMAINDER OF 1956.

Yours very sincerely,

Walter A. Kolaga
